

Policy on House Exams

House exams are an integral part of the curriculum in Laurel Hill Coláiste FCJ from 1st – 6th year. They help all students to reach their full academic potential and represent an important stepping stone in our preparation for formal State Examinations. House exams are compulsory for all students. Students who may be absent for an exam for any reason should note that an exam will not be re-scheduled nor corrected for them. The sole exception to this rule is when a student is involved in a school activity, directly clashing with the time allocated to a house exam. No other exception will be made. The dates for all house exams for the academic year are available on the school's website to assist students and parents in planning ahead.
